

# CULINARY IN EDMONTON

## IF YOU LIKE FOOD, WE LIKE YOU.

Take your taste buds on a journey to some of the hottest craft beer taprooms, hyper-local bistros and indie bakeries in the country. Edmonton is the youngest capital city in Canada, and that means that our chefs aren't afraid to experiment a little. Our restaurants, like the Duchess Bakeshop (one of BuzzFeed's top bakeries in the world), are gaining international recognition - so pack your stretchy pants!
