The most "Edmonton" foods YOU NEED TO TRY

LOCAL BREWS – Live like a local and try one of these well loved home-grown brews: Alley Kat, Yellowhead, Bent Stick, Blind Enthusiasm or Situation.

GREEN ONION CAKES – Popular in China, but perfected in Edmonton. You'll find these at just about any summer festival.

PIZZA – Are you thinking, huh really?? Well Condé Nast called it, placing Edmonton at #8 In The Top 14 Cities in the World for Pizza.

BAKERIES – Can you say Duchess anyone? Edmonton might be 7,000 km from Paris but that doesn't stop us from having world renowned French-style patisseries.

MORE THAN JUST SOUVENIRS

If you're looking for great shopping, you've come to the right place. Edmonton is full of everything from big name retailers to local boutiques.
