

EDMONTON'S RIVER VALLEY

RIVER VALLEY TRAILS

Nature is calling! Edmonton's river valley and park systems have 160 kilometres of trails scattered throughout the city just waiting to be used. Jog or stroll through the winding paths and find yourself surrounded by wildlife as you take in the beautiful views of the cityscape. Or if you're an adrenaline junkie, ride off the beaten path and pedal off-road on your mountain bike.

100 STREET FUNICULAR

Edmonton puts the "fun" in funicular! This is the quickest and easiest way to get to and from downtown and the river valley. Enjoy panoramic views as you ride along the side of the bank in the glass-walled elevator. At the top, you'll find the beautiful Fairmont Hotel Macdonald and at the bottom, you'll find a promenade to one of the city's spectacular lookout points.

HELICOPTER TOURS

Enjoy breathtaking panoramic views of Edmonton's city and river valley from the comfort of a private helicopter! Land on a sand bar, then experience the thrill of departing just feet over the water, gently climbing as the sandbar and river disappears below! It's the perfect setting for a sunset flight. Choose a tour package, or create your own custom flight experience.

CROSS-COUNTRY SKIING

On the hunt for some fresh powder and breathtaking views? You don't have to go off the beaten path! When the snow falls, the river valley transforms into a winter paradise for cross-country skiers. Take in stunning views of the city skyline, frozen rivers, and snow-covered forests. Keep your eyes peeled for majestic creatures as you glide through the trails.
