# Distinctly Edmonton EXPERIENCES

**CATALYST THEATRE** - Stream *The Transformers*, a series of short films commissioned by local theatre artists Chris Dodd, Kristi Hansen, and Rebecca Sadowski.

**CITADEL THEATRE** - Stream *Mary's Wedding*, a new look at a Canadian classic. You'll witness a love like no other from the Alberta prairies to the battlegrounds of World War I.

**RAPID FIRE THEATRE** - As Edmonton's longest-running improv comedy company, RFT is your one-stop-shop for laughs. Catch their hilarious slate of Improv and sketch comedy shows live-streamed or pre-recorded.

**THE FIRST MÉTIS MAN OF ODESSA AUDIO DRAMA** - Punctuate! Theatre's artistic director, Matthew Wishart MacKenzie, presents a new audio drama, *The First Métis Man of Odessa*, as part of Factory Theatre's *You Can't Get There From Here* podcast series.

**SNOW WARRIOR** - Kurt Spenrath and Frederick Kroetsch's documentary short about Edmonton's brave bicycle couriers, is available to stream for free! *Snow Warrior* captures the beauty of a northern city through the eyes of a bicycle courier named Mariah. We see her ready herself and her bike for a gruelling day's work of racing through the snow and traffic to get her deliveries into the hands of her customers.

## More than just SOUVENIRS

If you're looking for great shopping, you've come to the right place. Edmonton is full of everything from big name retailers to local boutiques.

**AUTHENTICALLY INDIGENOUS PRODUCTS** - Support local and Indigenous artists by purchasing their beadwork, handicrafts and more!

**INDEPENDENT BOUTIQUES** - Whether you're looking for the perfect gift or a special treat for yourself, buying local means that your purchase comes with its own unique story.

# MUSEUMS & more

**ROYAL ALBERTA MUSEUM** - UP CLOSE: Stories, objects, and ideas from beyond the galleries is The Royal Alberta Museum's newest talk series. You're invited to join the museum experts and learn about research and collections projects, meet special guests, and get up close with history!

**ART GALLERY OF ALBERTA** - Enjoy "yourAGAfromhome," the Art Gallery of Alberta's new online initiative to feature their most popular programming, as well as fresh new content to keep you informed and engaged. You'll love the virtual tour and don't forget to take in a virtual art class or two!

**TELUS WORLD OF SCIENCE** - Go mad for science with the Telus World of Science virtual experiences. Discover DIY experiments, rent an IMAX documentary, participate in one of the many interactive virtual events and more!

## Tasty experiences YOU NEED TO TRY

**EDMONTON'S CRAFT BEER SCENE** - Edmonton's craft beer scene has exploded over the past few years. Watch this short film and learn about the brewers and breweries that make up Edmonton's exciting craft beer scene.

**STRATHCONA SPIRITS** - North America's smallest distillery (just 69-square meters), distills an expanding line of fine spirits that embody the essence of Alberta. Watch this short video to learn about owner, Adam Smith, and how he built Strathcona Spirits from the ground up.

**GET COOKING** - Join a live and interactive online cooking class featuring two chef instructors teaching from their studio kitchen.

**Pei Pei Chei Ow** - Inspired by the land, life and seasons that surround us, Indigenous ways of cooking outdoors and by the Indigenous way of Mino-Pimatisiwin, Pei Pei Chei Ow explores the concept of Indigenous food in today's society, as well as the impact of colonialism on the Indigenous food system and contemporary culture. Check out one of their virtual cooking classes for an immersive and incredible culinary experience.
